If you are successful at the assessment centre and meet all of the minimum criteria required (e.g. you have provided valid evidence that you have 5 GCSEs including English Language, or equivalent), then you will progress to the next stages of the recruitment process which are administered by the PSNI.

The PSNI Recruitment Team will contact you on receipt of receiving the merit list from Deloitte. You will be informed where on the merit list you are placed to help manage your expectations as to when you can expect to be contacted to commence the next stages of the process. All communication from the PSNI to you will be conducted via the email address you provided in your application form.

You will be provided with contact details for the PSNI Recruitment Team when they first contact you. It is important that all contact in regards to the PSNI managed stages of recruitment should be sent to the PSNI (and not the Deloitte Recruitment Team). You will be expected to update the PSNI with any changes to your personal details, or if your circumstances change meaning you cannot make a scheduled assessment.

The PSNI Recruitment Team will deal with all merit list applicants efficiently and effectively, however if you want to raise a concern or you are not happy with how your application is progressing, details of who you should contact within the PSNI Police Recruitment Team will be provided to you. Issues are first reviewed by an experienced Recruitment Team administrator, and an escalation process is in place whereby complaints will be reviewed by the Police Recruitment Manager and ultimately by the Head of External Recruitment.
